JOHNSTON & NOLAN.

A. J. Truitt, Esq. Announces His Candidacy for Congress.

PUNXSUTAWNEY, PA., Jan. 1, 1900.
Life's duties may well be divided into first, those to our Creator; second, to self, family and neighbor; third, to our country; and, as good citizens, we should earnestly undertake and faithfully endeavor to fulfill all those.

In announcing to you that I will be a candidate for Congress at the coming primary election, I desire to say that from boyhood I have cherished the hope that at some period in life I might have the opportunity to take some humble part in the affairs of our government. With this thought in mind, I have ever tried to learn about our country, her institutions and laws, so that I might intelligently fulfill this duty if occasion came, and, as well as I could, I have told from platform and press what I sincerely believed best for us as a people, "that," in the words of our own immortal Lincoln, "a government of the people, by the people and for the people shall not perish from the earth." That I believed in the equality of men and that the highest and best; that we must sacredly guard our liberties,—religious, civil and industrial; that we should foster patriotism, protection and education; that we must avoid extravagance in the administration of the affairs of government—national, state and local—so that the people will not be burdened by unnecessary taxation; that labor bears the burdens of the world, that it is king, and deserves our first consideration, especially in legislation, that we may lighten the toll; encourage the toiler and in all ways help to lift up and help to better things. Not alone in our own county have I said these things, but in other counties of this our 21st Congressional District, viz: Armstrong, Indiana and Westmoreland, as well as in other counties in our commonwealth.

This is the first time I have ever asked an office. I feel that I am deserving and trust that I may be able to bring about party harmony in our county. To the hundreds of my Republican friends all over the county who have given me words of encouragement, I assure you I am deeply grateful. I promise you to use my best endeavors in every honorable way to win the nomination in our county, and if successful, the nomination and election in our district, as the office of Congress by right belongs to Jefferson this time, as Armstrong has had one Congressman, Indiana one and Westmoreland two since anyone has held this office in our own county.

I shall try to see each one of you before the nomination takes place, until which time I trust you may talk over the question so that what is best may be done. Trusting you may one and all enjoy a happy and prosperous New Year, the best you ever had, believe me, Very sincerely yours,
ALEXANDER J. TRUITT.

Sub-District Miners' Resolutions—Strike at Adrian.

At a convention of delegates representing the miners of sub-district No. 5, of district No. 2, held at Punxsutawney last week, the following resolutions were passed, copy of which was given to General Manager L. W. Robinson by a committee:

WHEREAS, The grievances at Adrian and Eleanor's mines, owing the discharge of six men, and

WHEREAS, The superintendent at Adrian has refused to adjust the same, also threatened the discharge of one hundred and fifty more men, while at Eleanor it has been temporarily adjusted, but is not satisfactory, therefore, be it

RESOLVED, That we request L. W. Robinson, general manager and president of the R. R. & P. C. & I. Co. and the J. C. C. & I. Co. to adjust the same.

WHEREAS, The check off at DuBois, Adrian, Rathmel and Reynoldsville has not, as yet, materialized as per agreement, and

WHEREAS, According to the Clearfield convention a demand for an advance in wages was made to take effect on and after January 1st, 1900, and is as follows:

"The demand shall not apply to those operators who have signed agreement with us that do not expire until April 1st next, except where it is proven that the spirit as well as the letter of the agreement has been broken by the operators."

But in view of the fact that L. W. Robinson, president of the R. R. & P. C. & I. Co. and the J. C. C. & I. Co., has expressed his intentions of going to the Inter-State Conference at Indianapolis, Ind., in January to participate in formulating a scale of prices for the ensuing year, therefore, be it

RESOLVED, That if the above grievances are amicably adjusted at once we pledge ourselves to continue working pending the results of said conference.

As stated in first paragraph of above resolutions, there is a grievance at Adrian and miners came out on a strike at that place last Friday evening. They returned to work yesterday for one week to await investigation by a committee. The Adrian miners will hold a mass meeting one week from to-day to hear the investigating committee's report.
